Discussions

1. Director& Principal addressed the students about Placements and asked each coordinator to take responsibility for 8-10 students from their class and help in their placement.
2. Student Coordinators were asked to improve their personal grooming and ensure that all the students in their class are well groomed.
3. Student Coordinators were encouraged to work as a team to achieve 100% placement of the batch.
4. All the students have to speak in English only, within the College premises and students caught speaking in their mother tongue/vernacular languages will be fined Rs. 25/-. This is done with a view to motivate students to speak in English, so that their communication skills improve.
5. Placement orientation session for all PG students is planned in the second week of September.
6. More coordinators to be nominated for MIB& MCA.
7. Monthly review meeting will be conducted to keep track of developments.
