Meeting Details

Director & Principal congratulated MFA students for 100% results and asked students to prepare themselves to achieve 100% placements also.

Director & Principal advised students, not to have very high salary expectation in first job. With personal example, Sir suggested students to take up the first offer they get, irrespective of salary and after getting experience, shift to big company with big package.

Director & Principal clearly instructed that, no student shall go out of Bangalore during vacations and asked HOD – Training and Placement to get written undertaking form from students that without getting placed they cannot go for vacation. And if students go for vacation and fail to attend any interview, they will be disqualified from placements.

MFA student coordinator (Ms. Roopa) requested for more aptitude training and to start Excel classes. Students said, they have difficulty in basic maths, since they have not studied. HOD – Training and Placement assured that, the feedback would be given to trainers from Vistamind and they will be asked to explain basic concepts also.

Mr. Lokesh said students are not doing enough practice for interview. Before going for interview students need to solve more mock questions papers and should know about current affairs.

HOD – Training and Placement said that the Student Placement Coordinators in each class should take responsibility to mentor eight to ten students in their class and help them in aptitude, excel and GD with the help of placement team.

HOD – Training and Placement assured students to provide any help they need and invited them to approach the Placement Department in case of any difficulty and help required for placement preparation.

The meeting concluded at 4:00 pm.
