Entrepreneurship Day
Entrepreneurs of Tomorrow

21/09/2016

Competitions, events and fests are a common sight in our college. And the 21st of September 2016 was no different. Entrepreneurship Development Program or EDP cell was organized where the students of all the departments were given a chance to sell their ideas or products to all the students and teachers of the college. This was an amazing opportunity to bring out the entrepreneurs hidden within the students. Their enthusiasm was outstanding and little by little the “Quadrangle” became the busiest point of our college. Students from all the departments flocked to the Quadrangle to check what the entrepreneurs had to sell.. This event was a small taste of Entrepreneurship. But this event wouldn't have been successful without the careful coordination and execution of the teachers and the sheer excitement of the students.

The following were the teams that participated in the competition:

1. C&M: Chocolates
2. C&M: Sandwiches
3. C&M: Mini Militia & tattoo
4. C&M: Pencil sketch, Lead Art & Lamps(Handmade)

9. BA: Snacks
10. PG: Groundnuts
11. PG: Bursting the Balloon

3rd Place: Sandwiches(C&M)
