

FAQs for International Students

Safety & Security

With an inclusive campus atmosphere, Presidency boasts of ample safety and security for our foreign national students. We have a no tolerance policy towards all kinds of racism, ragging or bullying and complaints received are handled strictly and promptly.

Hostel Facilities

We have modern and good hostel facilities for both men and women with 24/7 security and sumptuous meals. In case foreign national students need help in finding accommodation outside of College hostels, our facilities department would assist them in doing so.

Connectivity

Our campus and hostels are WIFI enabled and students are connected through various online like WhatsApp etc.

Academic Support

Additional help and support in terms of learning English, Maths and other subjects are extended to foreign national students, based on their requirements. Our dedicated team of professors ensure that every student is given personalized attention to help him/her excel in their academic performance.

Sports & Games

Students can take part in sports and games activities and be a part of various sporting events participated by Presidency College. Students can get in touch with our Physical Education Director for enrolling themselves in the various sports teams.

Grievance Redressal

Concerns and grievances of our foreign national students are addressed by International Student Coordinators who are specially nominated for the purpose. Students are free to approach them with their issues and concerns and seek solutions. Coordinators provide necessary guidance to help the students resolve their issues and move ahead.
