## Webinar

Program Name: Software Project Management

Date: 08-Aug-2022

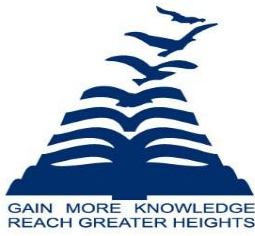

Time/Duration: 1 Hr

Total Number of Participants: 110

Name of Resource Person(s)/Organization: Nagaraj Hegde

Platform: Microsoft Teams

A webinar session on **Software Project Management** through Microsoft Teams was conducted on Monday, the **08th August 2022** for all the Students of VI semester BCA. **The resource person for the session was Mr. Nagaraj Hegde, who is presently working as Principal Consultant for Oracle Corporation, after having started his own company and working in few IT companies such as FMRIndia, Digiyogi, etc., since 2009. He is MCA qualified with expertise in Java, SQL, Big Data, Selenium and many more.** His specialisation is in design, develop and deliver high end enterprise application software. The topic chosen for the session was Software Project Management. As the final year BCA students are facing project work as part of their curriculum, it would be appropriate to have a session on the said topic. The speaker started the session by explaining the software development life cycle and various model adopted in the industry. Also, the importance of programming languages, databases, IDEs are briefed in quicker manner. Furthermore, the full stack development trend that is prevailing in the IT industry is insisted to the outgoing batch students. A quick run through done on software testing and maintenance. Towards the end, students were advised on the technology trend to be embraced for being successful in the industry.
