Date: 23-Nov-2020

Time/Duration: 50 Mins

Total Number of Participants: 150

Name of Resource Person(s)/Organization: Mr. Murali Babu

Venue: Virtual

A technical session on **Making Career in IT Industry** was conducted on Monday, **the 23rd November 2020** in Virtual mode (webinar) for all the Students of I semester BCA. **Mr. Murali Babu from Suphalam Technologies Pvt Ltd., was the resource person** for the session. Presently, he is a cloud consultant at Suphalam, Bangalore. The resource person has two decades of experience in IT industry having worked with Technology Giants such as Cognizant, TCS, etc., He is an expert Cloud Consultant providing services at various levels for the business clients. He started the session by giving an overview of careers in IT industry. He briefed about the current trends and forecast of IT jobs. Further, briefed about various popular technologies (programming languages) in the market and applications of the same in developing varieties of software products. This has given an insight for all the students to have some clarity in choosing their stream before entering into IT career. Also, he spoke about the recruitment strategies adopted by hiring departments of top companies. This will enable the students in preparing appropriately for the right kind of jobs. The session was informative and interactive.

The summary of feedback from students are attached herewith this document.
