Invited Talk
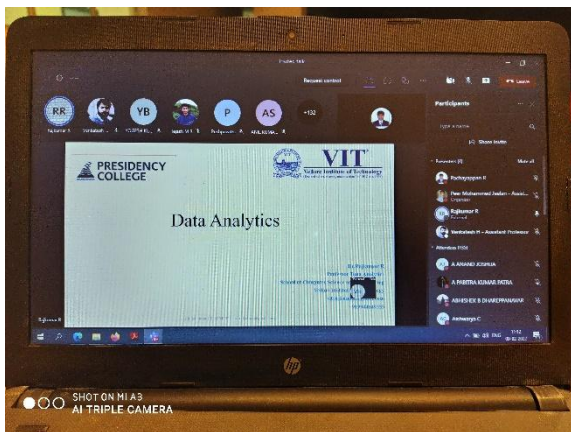

Program Name: Data Analytics

Date: 09-Feb-2022

Time/Duration: 1.5 Hrs

Total Number of Participants: 145

Name of Resource Person(s)/Organization: Dr. Rajkumar R

Venue: Virtual Mode (through Microsoft Teams platform)

A webinar session on Data Analytics was conducted on Wednesday, the 09th February 2022 through Microsoft Teams was arranged for all the Students of MCA. Dr. Rajkumar was the resource person for the session. Presently, he is working as associate professor and head of the department (CS) in VIT University. His research areas are data mining, data analytics, data visualization. He has been an active member of various editorial boards. He has published several dozens of papers in international conferences. He holds patents in more than half a dozen research publications. As a resource person, he had delivered lectures in various academic institutions. Also, guiding research scholars in data science. Through this webinar session, he spoke on the importance of data science in today's world. He had motivated students to take up courses and get certified. Throughout the session answered all the queries posed by our students. Furthermore, he gave tips to use online tools for OLAP and OLTP through which the data visualization can be achieved in a desired manner. The session was informative and worth attending.
