Invited Talk

Program Name: Fresh Graduates – How to become Industry Ready

Date: 27-Nov-2021

Time/Duration: 1.5 Hrs

Total Number of Participants: 150

Name of Resource Person(s)/Organization: Mr. Kiran Kadiwal

Venue: Seminar Hall

A technical session on **Fresh Graduates – How to become Industry Ready** was conducted on Saturday, **the 27th November 2021** in Seminar Hall for all the Students of V semester BCA. **Mr. Kiran Kadiwal** was the **resource person** for the session. Presently, he is working as Project Manager in Tata Consultancy Services. He has two decades of

experience in IT industry having served for many giants at various capacities. His core area is data analytics using SAS. He started the session with explanation of technology support for business. The need of trained technical manpower in industry was expressed as a concern. That was to motivate the students and insist them to be competitive and grab the opportunities. Further, the speaker spoke about the life skills that are essential to attain success. Most questions posed by the students were about the start-up. He briefed about challenges that are to be overcome to establish oneself in this competitive world. Students were interactive throughout the session, the speaker was able to answer all the queries due to his vast experience and knowledge. Overall the session was fruitful one.
