Date: 14-July-2017

Topic: Finance

A technical session on **Finance** was organized on Friday, **the 14th July 2017** in the Seminar Hall for all the students of V semester BCA. **Mr. Vishveshwar Shastry was the resource person** for the session. Mr. Shastry is working as an Assistant Professor in department of PG Commerce. He has more than ten years of experience in the teaching field. Presently, he is pursuing PhD in Visveswaraya Technological University. Mr. Shastry commenced the session with a brief introduction to money and its value. Further, he explained the intricacies of finance and financial management in business. Moving on to

the topics of finance (a unit of Banking and Finance), a non-core subject for the fifth semester BCA students, the resource person made the students to get an insight of financial aspects in business and the subject as well. On the whole session was interactive useful to students.
