Invited Talk

Program Name: Cloud Computing

Date: 19-Feb-2020

Time/Duration: 1.5 Hrs

Total Number of Participants: 150

Name of Resource Person(s)/Organization: Mr. Ashish Bhartiya, VMWare

Venue: Seminar Hall

A technical session on Cloud Computing was conducted on Wednesday, the 19th February 2020 in Seminar Hall for all the Students of IV semester BCA. Mr. Ashish Bhartiya was the resource person for the session. Presently, he is working as Lead Architect for VMWare inc. He started the session with explanation of technology support for business. Also, the role played by IT Giants in providing services in a cost effective manner for small and medium scale firms, in turn the end customers are availing seamless services round the clock. The need of trained technical manpower in industry was expressed as a concern. That was to motivate the students and insist them to be competitive and grab the opportunities. Further, the speaker spoke about the concepts and applications of cloud technologies. Various service models and deployment models were explained in lucid manner through pictorial illustrations. Students were interactive throughout the season, the speaker was able to answer all the queries due to his vast experience and knowledge. Overall the season was fruitful one.
