A Report on The International Conference on Computational Intelligence and Communication ICCIC-18

An International Conference on Computational Intelligence and Communication was organized in Department of computer applications, Presidency College, Bengaluru on 3rd March 2018 and it brought together 40 participants from different states of India.

The Inauguration was emceed by the student representatives Mr. Ramsarvesh and Mr. Janeesh George. As a mark of our tradition and culture, the dignitaries lighted the Lamp.

Dr. Narayanswamy, Head of the Department of Computer Applications welcomed the gathering warmly and a brief on the proceedings of the conference was given Dr. Deepa stating the importance and the need for this conference.

This was followed by the most special event of the day, *Conference Proceedings' - Release* by the honourable Chief Guest Mrs. Anandi Giridharan, Guest of Honour Mr. Sanjay Sahay, Prof Dr.Muddu Vinay, Director & Principal ,Dr. Radha Padmanaban Campus Director, HOD and Conference Convenor.

Prof. Dr. Muddu Vinay, Director and Principal of Presidency College delivered the Presidential Address and insisted on improving the standards of Research taken in future. He assured that this conference would definitely help the participants in technical ideas for their research and projects through discussion.

Dr. Radha Padmanabana, Campus director of Presidency College spoke on the various aspects of research on the relevance of Computational Intelligence in today's scenario.

The chief guest Mrs. Anandi Giridharan of Indian Institute of Science & Chairperson IEEE Bangalore Chapter, focused on design of Protocols connected to Internet of Things.

Mr. Sanjay sahay, IPS officer - Guest of Honour, focused on the power of Computational Intelligence in an increasingly wide range of beneficial applications.

Technical Paper Presentation

Research scholar presenting paper

In the technical presentation, many papers were presented by participants on various domains like Data mining, Cloud computing, Image Processing, Network Security etc. The presentation was reviewed by panel of experts Dr Valkularani, Dr. Somashekara, Dr. Jayashree and they were queried by both the expert panel and the audience. Selected papers are published in International Journal of Computing Science Technology with Impact factor 2.1 and listed in Google scholar.

Valedictory Function
