### **ABOUT THE EVENT:**

The Guest lecture session took place with welcoming speech made by Ms Manjushree M Guest lecture co-ordinator with brief reading of the speaker profile. Later the guest lecture was deliberated by the speaker for about 50 minutes. He deliberated about the Introduction of a "Indian Financial system" is one of the most important aspects of the economic development of our country. This system manages the flow of funds between the people (household savings) of the country and the ones who may invest it wisely (investors/businessmen) for the betterment of both the parties. Functions of Financial System: The financial system helps production, capital accumulation, and growth by (i) encouraging savings, (ii) mobilising them, and (iii) allocating them among alternative uses and users. Finally, the speaker closed the entire deliberation addressing the queries of the audience. There were approximately about 175 participants.
