

COVID-19 Awareness

To avoid the spread of the global pandemic COVID – 19, the union and the state government had enforced a complete lockdown with strict instructions for the closure of all educational institutions.

Presidency College places the safety and wellness of its staff and stakeholders at the forefront thus academic activities will remain suspended as per the guidelines of HRDM and Bangalore Central University until further notice. The practice of safety measures as per the directives of the World Health Organization for its staff such as

- Social distancing
- Wearing face mask
- Use of sanitizer
- Washing hands frequently
- Checking of temperature of all the staff at the entry point

is ensured to keep the virus under check.

Presidency College requests all its stakeholders to stay home and stay safe.
