

SAFETY MEASURES IN CAMPUS

Presidency College strictly follows the safety guidelines framed by WHO & ICMR. The following guidelines are enforced to ensure safety in the campus:

- Only one third of workforce (academic and admin staff) is present in the campus to ensure that social distancing is maintained.
- Thermal screening at the entrance.
- Usage of hand sanitizer
- Wearing face mask is mandatory
- All academic and administrative activities such as classes, examination, meetings to be held online.
- Housekeeping staff are instructed to clean campus throughout the day.
- Disinfectants are being sprayed everywhere in the campus on alternate days.
- Visitors' entry is limited only for essential purposes.

Safety and precaution is our highest priority.
