RAKSHABANDHAN

Date: 15th August 2019

Time: 7 AM to 8AM

Venue: Presidency College, Kempapura.

Participants/Volunteers: 20 Rotaractors (Girls) / 5 Security Personnel

Rotaract Club of Presidency College like every year didn't stay back to celebrate the auspicious moment of Rakshabandan with the security personnel on 15th August 2019, in the college premises. The prime motive behind the celebration was to share a message of festivity, love and celebrations. It was a motive to bring in happiness among the faces of the security personnel who have been living far way from their families and couldn't celebrate and for the ones who don't have a sister to celebrate with.

On this auspicious morning, all the male security personnel gathered in the quadrangle of the college campus where our girl Rotaractors volunteered to be the sisters to tie the knot of love and protection of the sister – brother relationship. A group of twenty girls got the "Pooja thali" ready for the five brothers who were available on the occasion to celebrate it with our Rotaractors.

The sweet effort from the RaCPC brought a smile on the face of the security personals and they showed their appreciation by their blessings and overwhelming emotions. It was a delight for the RaCPC to make their day and as a club take inspiration from such occasions to always take efforts that will bring the smile on every person we are surrounded by.
