

Project ANAAJ

Program Name: Project ANAAJ

Date: 31st March – ongoing

Venue: Bagalur and a few places in North Bangalore.

Rotaract Club of Presidency College in collaboration with HandsTogether is running a donation drive called Project ANAAJ, an initiative aimed at providing essential groceries to Daily Wage Workers who come under the Village Panchayats and do not have direct access to the kits provided by the Government. The lockdown of 21 days to combat the spreading of the deadly covid-19 virus, has left no means of income.

So we, at Rotaract Club of Presidency College and HandsTogether along with the local police have been providing them kits with the following - Rice 5kg, Daal 1kg, Salt 1kg, Oil 500ml, Atta 2kg , 1 Sambar powder, 1 Termeric powder, 1 Coriander powder, 2 Parle-g biscuit , 2 Lifebuoy soap and 1 pickle. Currently we have donated 520 kgs of groceries to 50 Families in and around Bagalur.

We are working continuously to gather more resources, contributions and donate them to more and more people in need.
