SWARA has been a dream come true for Rotaract Club of Presidency College. It was initiated last year to bring about awareness about the pressing issue of Menstrual Hygiene. On 20th September 2019, Friday RaCPC had a short interactive session with the students of Farooqiya Girl's High School.

Mainly with the motive of being able to educate the girls about Menstruation in specific as well as its hygiene. And about the various taboos that our society has when girls have their periods.

The students of Farooqiya School were excited and happy to be a part of our flagship project "SWARA". We were glad to clarify their doubts and bring a smile on their faces.
