

Program Name: RCB Speaker Series

Date: 15th January 2022

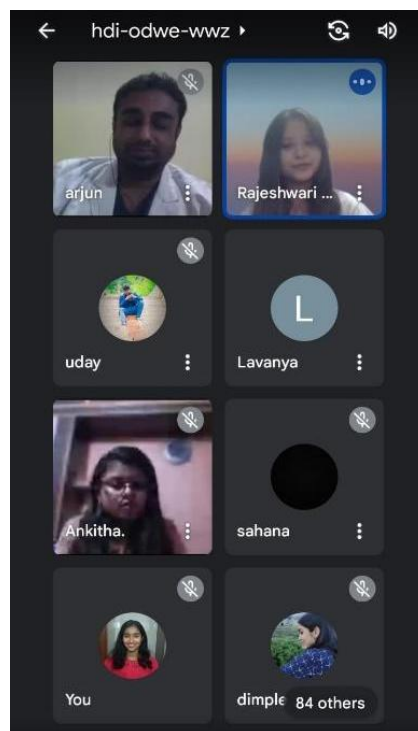

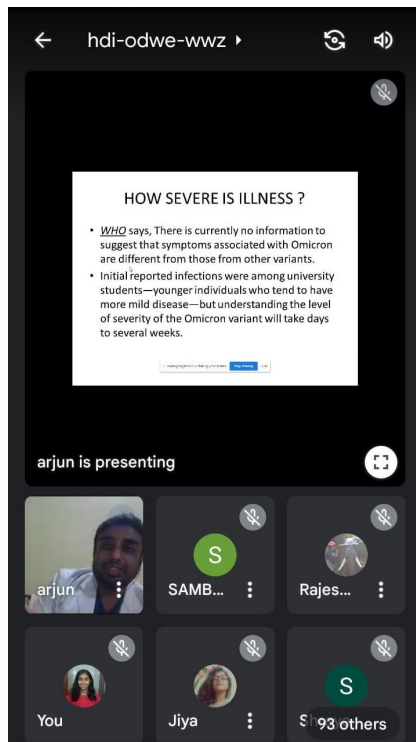

Venue: via Zoom

Rotaract Club of Presidency College partnered with Rotaract Club of Bangalore Rotaract Club of Care, Rotaract Club of Jyoti Nivas College, Rotaract Club of Presidency College, Rotaract Club of BIT College, Rotaract Club of CMR College and Rotaract Club of Chandra layout to organize the RCB SPEAKER SERIES.

This event was online on 15th January 2022 via Zoom. The session covered topics related to Corona Virus and Omicron. This session was the need of the hour as there are many myths and misconceptions about coronavirus and omicron and this session aided in dispelling them.

It was an extremely informative session where all the participants were informed about the various symptoms, causes, effects of the corona virus and omicron were explained. Dr Arjun also stressed the significance of wearing masks and getting vaccinated.

It was a very interactive session where all the members were able to clear all the questions about the CoronaVirus.
