Program Name: Platinum Recognition for the club

Date: 24th January 2022

As the popular saying goes, "With hardwork and effort one can achieve anything - Antoine Griezmann ", Rotaract Club of Presidency College is delighted to announce that it has been recognised with a Platinum Recognition for the Second quarter of the Rota year 2021-2022.

The points were assigned based on a variety of criteria. Our club received this honor due to the enthusiastic participation of its members throughout the quarter.

This should be viewed as the first step in striving to be a better club as a whole and a better Rotaractor as an individual. Let us keep up the good work; working harder will help us achieve greater heights and recognition in the future.
