Venue: Mother Teresa

No. of Participants: 6

Rotaract Club of Presidency College visited Mother Teresa, an orphanage in Bangalore on 13th February 2022, as part of "Project Ashraya". This initiative was undertaken to help teach the underprivileged kids with basic life skills that are necessary in today's world.

It was a fantastic visit during which the children were taught favourable behavioural attitudes.

We also had a lot of fun playing games.

It was a fun activity wherein every child passionately took part. We also gave them stationery kits.

The event brought joy to the children as well as the members who participated, as this visit made each member realise how blessed they are.
