Program: Project Ashraya

Date: 13th February 2022

Venue: Need Base India

No. of Participants: 14

Rotaract Club of Presidency College visited Need Base India, an orphanage in Bangalore on 13th February 2022, as part of "Project Ashraya". This initiative was undertaken to help teach the underprivileged kids with basic life skills that are necessary in today's world.

It was a wonderful visit in which the children were taught behavioural attitudes. We also played a few fun games and held a talent show for the kids and members. Everyone stood up and started dancing and singing songs. It was a fun activity in which all of the children enthusiastically participated. In addition, we provided them with stationery kits.

The event brought joy to the children as well as the participants, as the visit made each member realise how fortunate they are.
