Rotaract Club of Presidency College partnered with the RI District 3190 for Peace O Peace on 25th February 2022.

For this initiative the Community Service Director, Rtr. Buraida, made a video about peace icon and Nobel laureate Malala Yousafzai, who was awarded the Nobel Peace Prize for advocating for the rights of children to an education and for promoting world peace and the video was shared on the club's Instagram account.

It was an amazing and educative initiative by the RI District 3190 that helped us learn more about this Peace icon and promote peace throughout the world.
