Rotaract Club of Presidency College conducted a session of the flagship project "Kali Kannada" on 06th and 09th January 2022. Kali Kannada is an initiative to ease the learning of Kannada Language for Non- Kannada Speakers.

The session was held via Google meet at 06:00pm where the members were taught a few body parts, days of the week and a few basic phrases used everyday.

It was a great, interactive session where we saw maximum participation from the members.

The club's goal with this project is to help members who are not fluent in Kannada read, speak, write, and understand Kannada. "Kali Kannada" is one step toward making our beautiful language more familiar to those who do not speak Kannada.

Mareshwar Reddy is presenting
