Rotaract Club of Presidency College volunteered for the Rotary District 3190's 45th Annual Conference, Jashn on 16th April 2022 and 17th April 2022 at Chamara Vajra, Palace Grounds.

Honourable minister Mrs. Smriti Rani and MLA Mr. Shashi Tharoor were the conference's keynote speakers. They gave a lot of advice on how Rotary can help the government provide the most assistance to the public. Other distinguished speakers at the conference included Padmashri Awardee Tulsi Gowda, Padmashri Awardee Manjamma Jogati, and others who shared their knowledge with everyone in attendance. There were also numerous fellowship activities in which members had a great time.

It was an amazing event where the members gained a lot of knowledge, and this meeting also gave the members an opportunity to interact with and get to know the Rotarians in our District 3190.
