

Program Name: Vision

Date: 30th April 2022

Venue: Seminar Hall

Participants: 70+

Rotaract Club of Presidency College conducted the first session of their Flagship Project 'Vision' at Presidency College on 30th of April, 2022 from 1:30 pm onwards.

Vision is a stage where we host a variety of Speaker Sessions designed specifically to inspire young minds. We call upon Generational Leaders to instigate, drive and inspire. This year we are using this stage as an opportunity to raise funds for differently abled kids.

The first session of Vision was led by Rtr. Hemanth Y. B and Rtr. Dhanush. Rtr. Hemanth and Rtr. Dhanush are Rotaractors from the Rotaract Club of Shishu Mandir, as well as a duo who attempted to set a record in the Limca Books of Records and the Guinness World Records by cycling more than 24000 kilometers in 180 days across 29 states and three union territories.

The speakers spoke about their journey to different states in our country, the challenges they faced in setting a world record, the hospitality they received during their journey, the importance of cycling and sports, and the important role Rotary and Rotaract played in achieving their dream.

By the end of this session, the members were inspired to participate in a sport in order to stay fit and to use bicycles and public transportation as much as possible in order to reduce pollution in society.
