The Rotaract Club of Presidency College participated in the Rota Camp 2022, organised by the Rotaract District Organisation 3190 at Neervana resorts, Sakleshpur from 13th May 2022 to 15th May 2022.

On the first day, members arrived at the venue around 6:00 p.m. and gathered for an inauguration session, which was followed by an IPL screening in which members had a great time cheering for RCB. Later, everyone retired to their tents.

The second day began with a wonderful trek around the forest, followed by breakfast, and then the team organised a variety of activities for the participants, including kayaking, rope climbing, and small games. A pool party was planned for later in the day. The day concluded with a fun-filled bonfire and DJ, during which members danced their hearts out.

The last day began with breakfast, followed by the Rota Camp valedictory function, after which everyone prepared to return to Bangalore.

Our club was awarded with Highest Registration Club for having the maximum participants for the Camp.

It was an incredible event where members gained a camping experience, and this event also provided members with the opportunity to interact with and get to know the Rotaractors in our District 3190.
