Program Name: Teacher's day Date: 05th September, 2021

Venue: Instagram

On the occasion of teacher's day, Rotaract Club of Presidency College took up an initiative to celebrate it by showering love and respect to our beloved teachers.

The Rotaractors wrote heart-warming messages to Noreen ma'am and Sheetal ma'am which was compiled into a beautiful video which is sure to have brought a smile on our teacher's faces. It was also evident of the impact the teachers have had on them, inside and outside the classroom.

"A GOOD TEACHER TELLS,
A MEDIOCRE TEACHER EXPLAINS,
A GREAT TEACHER INSPIRES"

True to the above saying, teachers inspire us to be the best version of ourselves.
