**Program Name: Canopy Of Hope**

**Date: 30<sup>th</sup> September**

**Venue: Kempapura, Hebbal**

**Rotaract Club of Presidency College partnered with the Rotaract District 3190 in the Canopy of Hope initiative, which focuses on Maternal and Child health.**

**Through this initiative we were able to provide potable canopies to the construction workers to provide shelter to their kids from harsh sunlight, dust and bugs.**

**Members from Rotaract Club of Presidency College distributed 5 canopies to different construction sites which not only helped the poor but also gave a chance to the members to interact and understand the difficulties faced by them.**

**Canopy of Hope is a new and innovative initiative, Rotaract Club of Presidency College is delighted to contribute towards the society through it.**
