Name of the Event - Gold recognition of the club.

Date - October 23rd.

As the popular saying goes, "A little progress each day adds up to big results", the Rotaract Club of Presidency College is thrilled to announce that our club has received a Gold Recognition for the first quarter.

The points were allotted based on many criterias and we're given over the course of the last Rota year. The enthusiastic participation from the members has made this possible.

This should be looked as the first step in working hard towards being a better club as a whole and a better Rotaractor individually. Let's continue the good work, working harder will help us achieve greater heights and recognitions in the future.
