Event Name: International Men's day initiative

Date: 19th November, 2021

Venue: Social Media Initiative

The Rotaract Club Of Presidency College undertook a beautiful initiative in light of the "International Men's day" and made a heart-felt video breaking the stereotypes that have been set by the society.

Men usually do not get enough credits for the role they play in this society, either as a father, brother, friend or even a husband. This small gesture has definitely helped the men get their due gratitude.

Let's make sure that this appreciation is not only limited to this day but is carried throughout the year.
