1. PROJECT ASHRAYA

Rotaract Club of Presidency College visited 2 orphanages across Bangalore on 21st November 2021, as part of "Project Ashraya" sponsored by Rotary Club of Bangalore South. This initiative was undertaken to help teach the underprivileged kids with basic life skills that are necessary in today's world.

It was a wonderful visit, where the kids were taught basic communication skills, and were also provided with stationery kits. There was a huge smile on the face of the kids as they got their stationery gifts.

They also played a building game session which was a fun activity that each and every child took part with joy.

The event brought joy to children as well as members.

2. NOOR

Rotaract Club of Presidency College celebrated Diwali in an eco-friendly way this year as part of our flagship project: NOOR. It was an PR initiative taken by RaCPC

Instead of bursting crackers the members lit diyas and candles with the hope that the light brightens each of our lives .

We also sold eco-friendly diyas that were bought directly from local artisans to support the local economy. It was a successful fundraiser for orphanages, all diyas were sold out.

It was indeed a prosperous and eco - friendly Diwali.
