Name of event: General Body Meeting.
Date: 16 December, 2021
Venue: Presidency College, Seminar Hall

The Rotaract Club Of Presidency College organized it's General Body Meeting for the first time after the official installation of the Board members. The students were first addressed by Faculty Coordinator Noreen Ma'am who spoke to the students about the duties and responsibilities of a Rotaractor.

The students then officially registered as members of the club on the Rotary website. The President then made a few important announcements regarding the District conference and ROTA fest. Christmas celebrations and Project Ashraya were also discussed.

The newly installed Board members were also introduced to the members. The members were then told to contact the Board members in case of any issue or if they had an idea for an event.

The Club Service Directors then took over with an exciting game where the participants had to fetch anything that was stated by them. After some wonderful competition, the most deserving participant was declared the winner.

The session was concluded with the announcement of Club Dues and the distribution of masks and badges for the last year's members. The Secretary gave the official vote of thanks to end the session.
