As part of Christmas Celebrations Rotaract Club of Presidency College visited an old age home on 25th December 2021. The members distributed Christmas sweets and fruits to the elderly of the old age home.

It was a fun filled event, where members interacted and played various games with the children and the elderly. The motive behind this event was to spread Christmas joy among the less fortunate. In the end the children and the elderly were very happy with huge smiles on their faces.

The members had a memorable time and enjoyed a very special Christmas celebration.
